Report of Principal and School Improvement Council

Hickory Tavern Elementary School is a Title I school located in a rural community. It proudly serves 445 students in grades 4K to 5. Approximately 87% of the students are Caucasian and 13% of the student body includes African-American, Hispanic, and other ethnic classifications. The percentage of students receiving federally subsidized meals has increased over the past several years to 62%. Our school offers Creative Curriculum and Montessori classes to allow parents choice in their child's academic setting. Students' individual needs are addressed through Response to Intervention initiatives and our afterschool tutoring program, supporting students in reaching their academic potential. The academically gifted and talented program serves 15% of the student population. Third graders have the opportunity to attend a community sponsored program, Released Time, for religious instruction. Under the leadership of Mrs. Stephanie Brownlee, SIC Chair, the School Improvement Council (SIC) has worked diligently utilizing valuable community resources to address the goal of revitalizing the school's playground. During the first phase the following donations were received: mulch for the playground, three Nuttall Oak trees, and three Tree Gators. Also, the SIC is spearheading the project to resurface the playground's basketball court. Goals and strategies have been developed to move forward with designing the second phase of the revitalization project – A Secret Reading Garden. Our constant goal is to ensure that each child is prepared academically, socially, and emotionally for the 21st century. Hickory Tavern Elementary School's strategic renewal plan continues to develop and document changes and progress our school is making as we work to continuously improve. This plan provides our staff with an ongoing means for self-assessment, communication, professional improvement, and accountability. Our school and district are accredited by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement. The PTO and our Volunteer Program have increased parental and community involvement in school activities resulting in an enhanced school climate. Hickory Tavern Elementary School strives to maintain a rigorous learning environment where students, teachers, parents, and community work together to share ownership for learning to produce successful lifelong learners who are responsible and productive citizens. The faculty and staff of Hickory Tavern Elementary will continue its efforts to provide "Excellence For Every Child Every Day." We believe excellence is achievable through high expectations and continuous improvement to "Sail Beyond Excellence."

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
